Note: Placement of the various colors of mats, tabs and photo corners is completely up to you. Do all one color on one page or mix them up!

Activity 1: Scoring

Score Kraft CS lengthwise in half at 6"; Flip over CS and score 1/2" on each side of 6" score mark

Activity 2: Cover Front (part 1)

On one piece of Confetti White CS: Stamp Bird in More Mustard and "Life" sentiment in Choc Chip

Carefully cut out bird image with scissors; punch out sentiment with wide oval punch

Use sponge and Choc Chip ink to distress edges of both images

Spray both images with Gold Glow Smooch Spritz

Place stampin dimensions on each piece (do not peel off exposed side); set both pieces aside

Activity 3: Cover Front (part 2)

On the half of the cover that will be the front, stamp the floral image in Not Quite Navy on right side

Stamp fancy swirl image in Always Artichoke twice at the bottom (once widthwise and once lengthwise)

Stamp fancy swirl image once more at top right corner.

Spray front with Log Cabin Smooch Spritz

Activity 4: Envelope Pockets

Seal all four envelopes

Cut off just a smidge of one side of each envelope (1/8" is plenty)

Score at 1/2" the other side of each envelope (the side that was not cut)

Use Sticky strip to adhere the sealed "flap side" of two envelopes together making sure that the cut open sides remain on the same side!

Repeat for second set of envelopes

Sponge edges on both sides in Chocolate Chip ink.

MiniAlbum

Activity 5: Journaling Inserts

Stamp the Fancy Swirl image in Always Artichoke on the bottom left corner of 4 pieces of Confetti White CS

Punch put one Folder tab in each of the following colors: Mustard, Navy, Choc Chip and Artichoke

Score the center of each of the tabs.

Arrange the 4 stamped pieces of confetti white so that the **first and second** and then **third and fourth** have their unstamped sides facing each other (this is how they will be inserted into the pockets)

Use Tombow adhesive to adhere the tabs to the right sides of the confetti white pieces making sure they are evenly spaced in a top-to-bottom order.

Activity 6: Assemble Album

Use Tombow to adhere the 1/2" scored side of your envelopes together

Use Tombow to adhere the envelopes inside the album over (make sure to center vertically)

Use 1/8" hole punch of Crop-a-dile to punch 2 holes on left side of album (abt. 1" in from top and bottom)

Set brads in holes

Add "life" sentiment at bottom right corner of front and cut-out bird at top left.

Adhere 4x5" photo mats(centered) to each page (One of each color: Mustard, Navy, Artichoke and Choc Chip)

Insert Journaling Inserts into each pocket

Punch out Photo Corners in each color: Mustard, Navy, Artichoke and Choc Chip. Put these aside to take with you.

At Home:

Add photos onto photo mats (cropped to 3-1/2 x 4-1/2")

Adhere Photo Corners to each picture

Optional: Add sentiments to each photo (I used the "In a Word" set in the Summer mini and used markers to get the different color effects).
